**STATE TO HOLD PUBLIC MEETING ON
PLANS FOR CHESTNUT HILL RESERVATION**

The Massachusetts Department of Conservation and Recreation (DCR) will hold a public meeting to discuss the Draft Resource Management Plan (RMP) for the Chestnut Hill Reservation on Monday, June 19, 2006 from 7:00 – 9:00 p.m. at the Brighton Marine Health Center, 77 Warren Street, Brighton, Mass. At the meeting, DCR staff, the consultant, and members of the Working Group will discuss the recommendations in the Draft RMP related to parking along Chestnut Hill Driveway, the 1928-1929 iron fence, and the early action project for the reservation.

DCR issued the Draft Chestnut Hill Reservation RMP on March 22, 2006 and accepted written comments through May 5, 2006. The draft plan was presented at public meeting on April 25, 2006. The Draft RMP and other project information are available for review on the DCR Resource Management Plan Program website at <http://www.mass.gov/dcr/stewardship/rmp/rmp-chHill.htm>, although the public comment period is now closed.
